### **ELECTION**

This is in response to the Office Action dated November 24, 2009, in which a shortened statutory period for reply was set for one month. The Examiner required restriction under 35 U.S.C. §121 as follows:

Group I: Claims 1 and 4-15, drawn to a process for treating ammonia using immobilization; and

Group II: Claim 3, drawn to a process for treating ammonia with a mixture of bacteria in situ.

Applicants hereby elect for further prosecution the invention of Group II including claim 3 and new claims 16-27 submitted herein.

Applicants reserve their right to file at a later time a divisional application directed to the non-elected claims.

Pursuant to 37 C.F.R. §1.48(b), there is no change in inventorship as a result of this election.
